

# FOSTER APPLICATION

Primary foster must be at least 21 years of age.

All applicants are required to complete our application process.

All applicants will be required to provide veterinary and personal references and must contact veterinary facilities to authorize release of their records to Cartagena Paws upon request within 24 hours of application submission.

Ownership of residence will be verified with city/town tax records, regardless if the applicant owns or rents. If the applicant rents their home they must verify they are permitted to own an animal and must provide landlord's name and contact information on the application. Cartagena Paws will contact the landlord and will require written approval.

All applicants are subject to phone interviews, home visits, meet and greets with the animal (including a meet and greet with any animals they may already have at their residence), and background checks.

Cartagena Paws are committed to the safety and well-being of all our animals. All our animals are up to date on their vaccines prior to adoption. We will also confirm that all animals residing at the foster home are up to date on vaccines and in good health. Our goal is to ensure the right animal is placed in the right home; Cartagena Paws reserves the right to approve or deny an application at our own discretion.

By completing and submitting a Foster Application you acknowledge you have read and agree to Cartagena Paws terms and conditions.

1. I understand that the information provided is true and accurate to the best of my knowledge. I understand that if I provide misleading or inaccurate information knowing and willingly I will be denied approval to be a foster.
2. I understand by submitting an application for a specific animal does not guarantee I will be selected for that animal.
3. I understand that I am responsible for providing food and shelter for the foster animal, until they are put into adoption (Cartagena Paws will provide the crate and food to fosters).
4. I understand that I am responsible for taking the foster to vet appointments, ONLY when instructed to do so by Maureen Cattieu or Rose Kenney.
5. I understand that in the case of an emergency or a health concern, I must immediately contact Maureen Cattieu or Rose Kenney (781) 827-9479
6. I understand that I am responsible for communicating about the animal's health, behavior, and progress during foster directly to Maureen Cattieu or Rose Kenney (including photos).

10. I understand that I must ALWAYS feed the animal in a separate area, never around my own animals or other animals.
11. I understand that I must slowly introduce my foster animal to other animals with caution, unless I have been given specific other directions to not associate the animal with others.
12. I understand that once the animal is put into adoption, rights to see the animal will be dependent upon the new adopter's decision.
13. I understand that there are specific vets designated for the treatment of my foster animal, and that I MUST use those vets, unless I have been authorized to take the animal to another vet or clinic.
14. I understand that if I would like to adopt the animal I am fostering, I must fill out an application for adoption.
